**4. REPORT FROM THE CHAIRMAN OF THE COUNCIL**

- It has been a privilege and an honour to serve as Chairman this year and have very much enjoyed representing the residents of West End. Our village has a rich variety of local groups and activities that enhance our wellbeing and promote a sense of cohesive community which the Parish Council works so hard to promote and protect.
- Successful events held in the last year include: Summer Tea Dance; Senior Citizen's Christmas Party; Children's Panto; Turning on the Lights and the Community Games. The Parish Council aim to provide events that cover the spectrum of ages, with hopefully, something for everyone. We also continue to support the Carnival Committee and gave thanks to the Chair, Rick MacDonald and the Carnival Committee for their commitment.
- Gave thanks to Rev Thomas Wharton and St James Church for their help with Remembrance Day and also to Hildene Centre for hosting.
- Hosted St James School for the raising of the Commonwealth flag, with a quiz provided for the children.
- Refurbishment of the Moorgreen Recreation Ground tennis courts were carried out this year – details of booking the court can be found on the website.
- New public toilets opened in March 2018 which are located in the Parish Centre car park to allow for easy access. The old public toilets were on land not owned by the Parish Council, hence the relocation. Gave thanks to HEWEB Local Area Committee for allocating developer's contributions to the project.
- Substantial tree works have been carried out including pollarding of the Lime trees on Hatch grange.
- The Main Hall at the Parish Centre was refurbished last summer to make it brighter and more modern to be able to cater for a fuller range of events.
- The Hatch Café continues to prove successful. Several new members of staff have joined this year, with Jo supervising the team. The Parish Council will be working hard to enhance this facility over the coming years.
- Ensured West End's voice was heard on many planning inquiries and local plan meetings. The Parish Council contributed to the success of winning the second inquiry into land at Bubb Lane and to ensure that Borough Councillors heard from West End on the proposed option of 'Allington' being a major site in the draft Local Plan. Public consultation is planned for later this year and it is really important that residents express their views. Residents will be advised of the timetable over the coming months.
- Continue to raise the profile of traffic and parking problems in West End. Hosted a meeting for Midlands Estate residents and also Ivy Lane residents. Currently awaiting the results of a parking study to see if any solutions can be suggested.
- Continue to maintain range of buildings provided for community use and improve the facilities. The Youthhouse continues to grow under the leadership of Nikki with the help of Hannah and the youth team. Gave thanks for all their hard work and dedication.
- Gave thanks to: Laura Cooke for successfully leading all staff to provide a high level of customer service; Parish Office staff who deal with a wide range of issues; Nikki Penny and the Youth Team for delivering an excellent service to young people in West End; Steve Adams and the groundstaff for keeping up an excellent standard in the community; caretaking staff and Hatch Café staff.
- Gave thanks to Friends of Hatch Grange and Friends of Chartwell Copse for all their efforts, along with volunteers who help to maintain these areas.
- Gave thanks to fellow Councillors with special thanks to Councillors Asman, Clarke, Davis, Boulton and Goguel who helped resolve a very sensitive matter and to Councillors MacDonald, Craig, Smith, Hellier and Tennent for their cooperation and support.

- Gareth Bates and Peter Brown resigned last year and Councillor Anne Mortimer will be saying farewell in May as a result of significant health issues. Anne has been a committed, passionate advocate for West End and is very well respected by her peers and residents alike. Anne's professional experience and advice over the years has been much appreciated and the Council has created a reward to honour a resident who gives up time to volunteer to enhance our community. This award will be given to Anne this year and will continue for future years as the 'Anne Mortimer Award'. Unfortunately Anne was not able to attend this evening due to ill health, so her presentation will take place at another time.

#### **5. PRESENTATION OF AUDITED ACCOUNTS FOR 2016/17**

The full set of Audited Accounts is available at the Parish Office.

#### **6. REPORT FROM HAMPSHIRE POLICE REPRESENTATIVE – Police Sergeant Cat Manns**

- My aim as the Sergeant responsible for your Neighbourhood Policing Team is to provide you with an overview of the current crime figures, highlight any trends or patterns, seek feedback and your views in relation to the report, and then set/update our community priorities based on all of the information we already have (seasonal trends / previous priorities / district problems / county wide problems etc).
- Your Neighbourhood Team consists of myself as the Sergeant, PC Jason Steel as the PC and PCSOs Mica Coppin and Emma Heaton.
- You may or may not be aware that Hedge End is still a fully operational police station with officers working from here 24/7 despite the fact that it is closed to members of the public (no 'front office' service). The response teams that cover Eastleigh and Test Valley South run from Hedge End as well as the Hedge End North and South teams. I mention this because I want to make you aware that from May 15<sup>th</sup> for approximately 4 -6 months a complete refurbishment is taking place. During that time we will be operating from Eastleigh Police Station.
- Total crime is down year on year for Jan/Feb/March mainly due to the decrease in violence against the person offences. This year we have been focusing on targeting some domestic violence offenders.
- Increase in criminal damage incidents – partner agencies are to address youth ASB issues as an ongoing workstream. Also a rise in offensive weapons – all parties visited by Police and issued warning letters.
- Anti-social Behaviour – considerable work around youth ASB and vehicle ASB such as engaging with programmes offering a service and utilising partners such as Youth Options and Street Pastors. PCSOs have conducted home visits as well as referrals to youth Crime Prevention and the Youth Offending Team. Working with Roads Policing Unit with regard to vehicle ASB.
- Three levels of policing priorities:
  - i) Force Priorities – overarching themes which all teams are expected to contribute to
  - ii) District Priorities – things specifically impacting on Eastleigh. Three main areas affecting Eastleigh District include: Violent Crime; Burglary and Theft from Motor Vehicles
  - iii) Community Priorities – based on feedback from public. For this period community priorities have been set to: Burglary; Vehicle ASB; Theft from Motor Vehicles.

- Beat Surgeries continue at Asda and Cops n Chat at the Parish Centre.

#### **REPORT FROM PCSO MICA COPPIN**

- Attended West End Carnival - engaged with children and adults. Promoted Hampshire Alerts.
