A member of the public passionately expressed his displeasure that the section of damaged wall in the High Street was still not repaired.

Cllr Asman confirmed that Eastleigh Borough Council are taking action against the owners of the property to repair the wall and reiterated that the Parish would be liable to being sued if it was repaired and an accident happened afterwards.

008/23/PC TO RECEIVE REPORTS FROM COUNTY/BOROUGH:

County Councillor Broomfield

Apologies received. No report.

County Councillor Craig

Hampshire County Council's Highways Department have now taken the responsibility for the area's road management from Eastleigh Borough Council. Therefore, all reports on potholes, etc. should be sent to them either by emailing traffic.management@hants.gov.uk or via their website.

Councillors expressed concern over this change as they felt it would delay action further than when Eastleigh Borough Council were managing the highways.

Borough Councillor Asman

Cllr Asman explained that she and Cllr Craig are on the Community Safety forum and that items such as Anti-Social Behaviour & Safety are receiving attention from the Borough Council. However, anything on private property is not the responsibility of the Borough. She apologised that action cannot be taken immediately due to their limitations. However, they always signpost to the right department rather than avoid issues.

Borough Councillor Bearder

No report.

Borough Councillor Gomer

Apologies received. No report.

Borough Councillor Tennent

Cllr Tennent reported that there has been an increase of case work caused by lack of Government funding. A lot of this case work is related to double yellow lines on roads.
