**King's Coronation Event** - Monday 8<sup>th</sup> May 2023 – 1.00pm – 5.00pm

Will be based on the event held in 2022 for the Queen's Platinum Jubilee. Due to the reduced event budget for 2023/24, Councillors discussed where money could be saved in organising this event so as not to have an impact on further events planned for the year.

Councillor MacDonald suggested inviting a fairground company to supply and run a bouncy castle and ask for a small charge from users.

Councillor Weeks questioned if 8 portable hire toilets were required and to investigate hiring 6 or 4 to reduce the costs.

Councillor Du-Crow asked if buying a system could be investigated. Councillor MacDonald commented that this may be very expensive for 1 or 2 throughout the year. Councillor Turl explained that they are very technical to use and to service. Councillor Coles suggested this out-lay could only be considered when the budget allows.

## **120/23/REC CAFÉ / PICNIC AREA DEVELOPMENT PROJECT**

The Deputy Clerk reported that the proposal from Vita Play is being updated based on Councillor feedback from the previous meeting. It is currently with their designers but has been delayed.

The representative from Playdale Playgrounds did not arrive for a scheduled meeting last week.

## **121/23/REC BARNSLAND/ HATCH FARM/ UPMILL**

Councillor Du-Crow had previously emailed all committee members advising to put the grass cutting project on hold until the summer and to seek further advice.

Councillor MacDonald advised that in April 2020 there was mention of Barnsland becoming a wildflower area but then the wording was changed to a long grass area.

Whilst Section 106 money could be utilised at the start of the project, any ongoing costs once this has been depleted will be left to the Parish to cover and there is already a big strain on the Parish budget.

Councillor Du-Crow read to Councillors a section of his email and an extract from plantlife.org explaining that grasslands need the correct management to enable them to flourish. Cutting is vital to the management.

The Head Groundsman explained that the ground is wet, so cutting is weather dependant and as long as it is no longer than 2 feet high it can be cut with their existing equipment, however they do not have any equipment to lift the cuttings.

The Deputy Clerk explained that cutting is at the Groundsmen's discretion, and they carry out weekly visits to all the Parish sites so they will be constantly monitoring the area to see if further cutting were to be needed.

Councillor MacDonald commented that it had never been the intention to not cut the grass at Barnsland. Councillor Haylett commentated that what was disputed was the lifting of the clippings.

Councillor Turl explained that the Groundsmen have a schedule of works which they adhere to, weather permitting.

Councillor DuCrow commented that planned cuts should be recorded in a management plan, as this is not currently recorded anywhere.

**Councillor Coles proposed and Councillor Haylett seconded that the long grass be cut at Barnsland twice a year and this be added to the management plan. Councillors agreed unanimously.**

**122/23/REC HATCH GRANGE / MEGAN GREEN/ QUOB GREEN/ WEST END COPSE**

**Hatch Grange**

The arborist has been booked for 1st March to complete work on the Liquid Amber. Approximate cost £1,000.

**SINC Area**

Councillors approved of the suggestion to install a beehive in the area as long as a qualified beekeeper or group can maintain it.

**123/23/REC MOORGREEN RECREATION GROUND**

The following email has been received from a resident of Monarch Way regarding flooding on their property.

*It would seem that nothing has been done since our last communication and thanks to the present weather I have video footage that shows the drains in the walkway at the end of our properties are both inadequate and poorly constructed/maintained, as rainwater is not going into drain as it should but instead it runs over the edge and into the walkway which in turn will flood both properties.*

*This needs addressing by whoever is responsible.*

**The Youth Leader's husband has experience in drainage and having visited the site has advised the only thing the Parish can do to help mitigate the issue would be to put in a larger drainpipe. Unfortunately as the drain itself does not belong to West End Parish Council, the residents would need to speak with Hampshire Highways to see if anything further can be done.**

**124/23/REC TOWNHILL FARM RECREATION AREAS**

Chartwell Green Nothing new to report.

Townhill Farm Play Area Nothing new to report.

Carpathia Play Areas Nothing new to report.

**125/23/REC CUTBUSH LANE FOOTBALL FACILITY**

No football fixtures have been able to be played in January so far due to waterlogged pitches or the ground being frozen.

**126/23/REC QUOB LANE CEMETERY/ BURIAL GROUND**

**Burial Ground**

Due to safety concerns, the pine tree next to the wall by Hilldene has been removed.

**Cemetery**

The Grounds Team have had to top up some of the graves at the Cemetery that have been sinking.

The cherry tree which had damaged one of the paths has been removed. The Grounds Team will now be removing the roots and repairing the path.

**Garden of Reflection**

Nothing new to report

**127/23/REC ALLOTMENTS**

The Deputy Clerk reported that there is still a large waiting list.

The next round of inspections will be carried out at end of February.

A new allotment app is being adopted which will enable the inspection information to be recorded by any of the Grounds Team.

## Appendix B – Youth Leader Report

Report: January 2023

We are now back from our Christmas break. We are still very busy on Tuesday and Wednesday evenings; Thursdays are more chilled with the older young people. We are also very busy at Townhill community centre running the two parent and toddler groups, which are very well attended, and parents are very grateful that this service is available.

This month we have 2 new youth workers starting at the YoutHouse, which will make it easier for us to focus on reaching more young people on the waiting list and we will be able to do more detached work in the area.

We have asked the young people for trip and activity ideas for the year ahead, so hopefully we will be able to do many trips and events.

We have decided to purchase t shirts and jackets for all the youth worker. I have also just ordered a new noticeboard for the youth club to replace the one that was damaged. The cost was £163.09, fingers crossed this one will not get vandalised.
