## New Public Art Project

Eastleigh Borough Council is launching a call out to find an Artist who can work with residents of Hatch Farm (also known as The Willows) on a new public art project.

As part of the Planning Obligations for large-scale development in the Borough, developers are required to pay contributions to fund infrastructure including sustainable transport, health provision, schools, play equipment and safety measures. Developers also pay a contribution towards public art to enable projects which can help build strong, vibrant and healthy communities, encouraging activity and instilling a sense of belonging and connectedness.

Public art projects can range from sculpture and murals to landscaping, seating or even performance or events. For this commission funded by contributions for the Hatch Farm development, the Council is looking for an Artist or Artist Collective to develop a project with local residents over the next year.

Professional Artists interested in applying will need to have previous experience of delivering public art projects and submit an Expression of Interest responding to the Artist's Brief on the Council's website:

https://www.eastleigh.gov.uk/hatchfarmpublicart

Image: Hammering Waymarkers for Hedge End Green Routes with the Bex Simon Forge team, 2022.

If you are unable to access the Brief and require information in another format please contact Vickie Fear, Public Art Officer by emailing implementation@eastleigh.gov.uk or calling 023 8068 8493.

We look forward to announcing the selected artist in a future edition and will share news of events and opportunities to get involved with the project as soon as we can.

May saw us hold our Picnic in the Park event for the King's Coronation.

Despite the gloomy weather, we had a great turn out and a wonderful afternoon. A big thank you to all Staff, Councillors, Volunteers and Stall Holders.

We managed to raise £591.00 for Mountbatten Hospice and the Mayors Charity.

The next events happening in the Parish are:

#### **West End Community Games**

Local families affected by dementia are being invited to take part in an award-winning programme, to help train the healthcare professionals of tomorrow and improve dementia care.

The Time for Dementia programme, supported by Alzheimer's Society, pairs families affected by dementia with undergraduate students, helping to better educate them about life with dementia and the challenges that come with it.

This autumn a new cohort of University of Southampton Medical School students will be taking part and Alzheimer's Society are now seeking families in the area who would like the opportunity to make a difference to training health professionals.

<u>Time for Dementia is a fantastic way for the next generation of healthcare professionals to gain first-hand knowledge of what it's like living with dementia.</u>

If you would like to know more about the programme, or you know someone with dementia and a family carer who would like to take part, please get in touch with us at <a href="mailto:timefordementia@alzheimers.org.uk">timefordementia@alzheimers.org.uk</a> or call 07483 926202

#### **Become a Dementia Friend**

#### What is a Dementia Friend?

A Dementia Friend is somebody that **learns about dementia** so they can help their community. Too many people affected by dementia feel that society fails to understand the condition they live with. Dementia Friends help by raising awareness and understanding, so that people living with dementia can continue to live in the way they want.

#### What does a Dementia Friend do?

Dementia Friends help people living with dementia by **taking actions** - both big and small. These actions don't have to be time-consuming. From visiting someone you know with dementia to being more patient in a shop queue, every action counts! Dementia Friends can also get involved with things like volunteering, campaigning or wearing a badge to raise awareness.

#### Who can be a Dementia Friend?

Everyone! Dementia Friends is open to anyone who wants to help people with dementia in their community.

#### How can I join?

It's really easy to become a Dementia Friend. Our volunteer Ambassadors are running in-person Information Sessions as well as virtual Information Sessions that you can book on to attend.

Citizens Advice have been operating in the Parish for many years offering vital, free and confidential support and assistance to our community. Run by friendly, knowledgeable volunteers, they are on had to help with all sorts of things and especially:

- Making sure you're on the right benefits and troubleshooting issues
- \* Helping with debt, bailiffs and unpleasant letters asking for money.
- \* Problems with your home like rent increases, disrepair and neighbourhood issues
- \* Work issues such as not being paid, dismissal, redundancy and rights.
- \* Relationship breakdowns and issues with housing, money and child access.

#### You can call the team on 0808 278 7862 or pop in to one of their centres:

- Eastleigh, 101 Leigh Road SO50 9DR, 10am-12pm Monday to Thursday
- Bursledon, Pilands Wood Community Centre SO31 8DT, 10am-12pm on Mondays
- \* Hedge End, United Reformed Church SO30 4AB, 10am-12pm on Tuesdays
- \* Hamble, The Hamble, The Mercury Centre SO31 4JE, 10am-12pm First Wednesday of the Month

Do you know your Parish Clerk?

## It's Sheridan.

Clerks are professionals and serve around 10,000 local councils in England and Wales. These councils emerged in 1894 to give a democratic voice to local people and they've changed enormously in that time, particularly during the last 20 – 30 years. They are real place shapers. Most of all clerks and councillors are advocates, the voice for their communities.

Here is just a small snippet of the kind of things the Parish Clerk does in their role:

- They run the council meetings, to which you are invited, and are skilled in a range of disciplines to make sure the council runs properly and within the law.
- They juggle a range of skills from finance & accounting, staff management & HR to understanding & Interpreting ever changing legislation.
- They are the key point of contact between elected officials and your community.
- They adhere to a professional code of ethics that stresses integrity, impartiality, confidentiality & commitment to serving the public interest.
- They manage play areas, recreation grounds, sports facilities, allotments, community centres, cemeteries, public toilets & more.
- They help to run community events including Christmas Lights Switch-Ons, national Jubilee & Coronation celebrations and remembrance commemorations

Clerks are celebrated in other countries and Local Council Clerk Week aims to help raise the profile of this important and often unrecognised profession.

#### YOUR LOCAL NEIGHBOURHOOD POLICING TEAM

PC Emma Roberts and PCSO Mica Woodcock.

PC Emma Roberts generally deals with neighbourhood crime matters and PCSO Mica Woodcock focuses on antisocial behaviour and low level crime She also deals with a wide variety of neighbourhood matters whilst on patrol. If you would like to speak to one of us relating to a general enquiry - please email eastleigh.police@hampshire.pnn.police.uk and write whose attention the email is for. PLEASE BE AWARE – we cannot take reports of incidents via email.

ALL REPORTS MUST be made either through 101 or online at www.hampshire.police.uk

#### HAMPSHIRE ALERT

Receive FREE crime and community information about where you live.

Hampshire Alert covers the whole of Hampshire, please tell your neighbours, friends and family, so we can reach as many residents as possible. Hampshire Alert is NOT social media, the 'alert' comes through email. We can choose to send a message to the whole of West End, or we can target certain roads - this helps us to reach the specific residents who may have been affected. # Sustainability

In recent years, the concept of sustainability has gained significant momentum worldwide, and it is crucial that we actively participate in this global movement. Embracing sustainability is not just a responsibility but an opportunity to build a thriving, resilient, and environmentally conscious Parish for ourselves and future generations.

## What is the Parish doing to help

**Buildings**We are in the process of replacing the fluorescent lighting throughout all of our community buildings

with LED lighting and also installing PIR sensors where appropriate. We have also had smart meters

installed in all of our buildings to help us monitor our energy consumption.

**Grounds** The Grounds team are looking into replacing all fuel reliant tools i.e. strimmer and hedge cutters, with

battery or electric powered alternatives. We also encourage a cut and drop policy when maintaining outside woodland areas which helps with biodiversity. Furthermore, in selected green spaces we

encourage long grass areas that are bee and insect friendly.

Hatch Café & The Hatch Café is not using any single use plastic. Also, all of their takeaway packaging is either wooden,

recyclable or compostable. These same items are also used for any Parish Events.

Office The admin team are reviewing the companies used for ordering stationary, cleaning supplied etc to

ensure we are using companies who prioritise sustainability.

**Solar Panels** The Parish is moving ahead with plans to replace the existing Solar Panels at the Parish Centre as several

panels are currently cracked which means they are not working at full capacity. The new panels once installed will be 50% more efficient. We will also be getting a battery storage pack installed which will

allow us to store any unused energy we generate for future use.

**Trade Refuse** We have recently taken out contracts for glass recycling & a dedicated cardboard recycling contract.

**Youth** The youth team have recently installed a bottle filling station outside the YoutHouse building to help

reduce the amount of single use plastic.

**Events** 

## What can you do to help

#### Preserving our Natural Resources:

Our parish is blessed with natural beauty, abundant green spaces, & diverse ecosystems. However, it is essential that we take proactive measures to conserve & protect these valuable resources. Here are a few steps we can collectively adopt:

- 1. **Reduce, Reuse, Recycle and Respect:** Embrace the mantra of the four R's in our daily lives. Reduce waste generation by opting for reusable items, such as shopping bags & water bottles. Reuse materials wherever possible & ensure proper separation & recycling of waste products. Respect your neighbourhood & the environment. Don't litter. Don't damage trees. Don't vandalise or undertake other criminal acts. Leave areas as you find them.
- Conserve Water: Install water-saving fixtures in our homes, such as low-flow showerheads and dual-flush toilets.
   Additionally, practice mindful water usage by fixing leaks promptly and watering gardens during cooler hours to minimize evaporation.
- 3. **Preserve Biodiversity:** Create awareness about the importance of preserving local flora and fauna. Encourage responsible gardening practices, such as planting native species that attract pollinators and support local wildlife.

#### Promoting Sustainable Transportation:

Transportation is a significant contributor to carbon emissions and air pollution. By embracing sustainable transportation options, we can significantly reduce our carbon footprint and improve the air quality in our parish. Here are some ideas:

- 1. **Promote Cycling and Walking:** Choose active transportation whenever feasible.
- 2. **Public Transport and Carpooling:** Encourage the use of public transportation.

#### **Embracing Renewable Energy:**

Transitioning to renewable energy sources is crucial for reducing our reliance on fossil fuels and mitigating the impacts of climate change. Here are some steps we can take:

- 1. **Solar Power:** Installation of solar panels on rooftops.
- 2. **Energy Efficiency:** Improve insulation, upgrade to energy-efficient appliances, and switch to LED lighting.

## **Celebrations at Saint James!**

There have been lots of celebrations happening at Saint James' Primary school over the last few months and lots more to come. Here's just a flavour of them.

King Charles III's Coronation saw the pupils design congratulation cards that were sent to Buckingham Palace. The winning designer and the runners up were also invited to a fabulous coffee morning in school with lovely celebration cakes.

Well done Evie, Olivia and Myra.

With the sound of music as a theme for our Collective Worship, it found us exploring musical instruments that could be found in the bible, discovering that our bodies could be several musical instruments and listening to nature's music in the sound of the dawn chorus. It also produced some extra-ordinary

musical talent among our young people, including Konrad in Year 2, who at six years old, wowed us on the piano with his rendition of the theme from Mario Fantasy.

We were very pleased to receive an inspirational visit from a local, contemporary hero, Aaron Phipps, a Paralympic Gold medallist. In 2021, at the Tokyo Paralympic Games, Aaron and his teammates won the first ever Gold Medal for Paralympics GB in a team sport event, wheelchair rugby. Aaron told everyone about the events that he needed to overcome before eventually becoming a member of the gold winning team, with a clear and powerful message that 'We all have choices' with a determination to succeed and to stav positive. Truly inspirational!

## Volunteers needed to help with our pond clearing morning on Saturday 1st July from 9am.

## Kid's Corner

**Blueberry Muffins** 

#### What You'll Need:

- 100g unsalted butter softened
- 140g golden caster sugar
- 2 large eggs
- 140g natural yogurt
- 1 tsp vanilla extract
- 2 tbsp milk
- 250g plain flour
- 2 tsp baking powder
- 1 tsp bicarbonate of soda
- 125g pack blueberries

Heat oven to 200C/180C fan/gas 6 and line a 12-hole muffin tin with paper cases. Beat the butter and caster sugar together until pale and fluffy. Add the eggs and beat in for 1 min, then mix in the yogurt, vanilla extract and milk.

Combine the flour, baking powder and bicarb in a bowl with ¼ tsp fine salt, then tip this into the wet ingredients and stir in. Finally, fold in the blueberries and divide the mixture between the muffin cases.

Bake for 5 mins, then reduce oven to 180C/160C fan/gas 4 and bake for 15-18 mins more until risen and golden, and a cocktail stick inserted into the centre comes out clean.

Cool in the tin for 10 mins, then carefully lift out onto a wire rack to finish cooling. Will keep for 3-4 days in an airtight container.

# Playdough!

Make your own Playdough at home. All you will need is:

- 250 g plain flour
- 50 g salt
- 140 ml water boiling water
- 2 teaspoons cream of tartar or lemon juice
- 1 2 tablespoons of cooking oil

Stir together the flour and salt in a large bowl then add in the water.

Knead the mixture well until a dough consistency starts to form.

Separate out the dough and add some food colouring gel for vibrant colours. Store in a plastic bag in the refrigerator until chilled enough to use.

Cookie Ice Cream Sandwiches

#### What You'll Need:

- 280g light soft brown sugar
- 225g granulated sugar
- 250g butter
- 2 large eggs
- 1 tbsp vanilla extract
- 450g plain flour
- 2 tsp baking powder
- 300g good-quality milk chocolate, roughly chopped into chunks
- vanilla ice cream, to serve

To make the cookies, tip the sugars and butter into a large bowl. Blend them together until the mixture looks smooth and creamy, and a little paler in colour.

Carefully break in the eggs, one at a time. Mix in the vanilla. Sift in the flour and baking powder, then mix well with a wooden spoon.

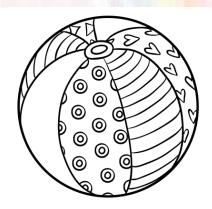

Stir through the chocolate chunks. Use your hands to squeeze the dough together in 1 big lump, then split into 2 even pieces. Put each piece on a sheet of cling film.

Roll each piece of dough in the cling film so that they form thick sausage shapes, then seal the ends. Put them in the fridge and chill for at least 3 hrs or overnight.

Heat oven to 180C/160C fan/gas 4. Take the dough out of the fridge, unwrap and use a small knife to slice each one into 12 pieces, so you have 24 in total.

Place the slices on a baking tray lined with baking parchment and put this in the oven to bake for 20 mins or until the cookies are golden brown on the edges, but still pale in the centre.

Allow to cool slightly before lifting them onto a wire rack to cool completely. Sandwich the cookies together with ice cream and dig in!

FREE care and support for you and your loved ones, thanks to our communities raising over £11.5m each year.

# Your local hospice

#### Mountbatten Hampshire is your local hospice if you live in Southampton City or large parts of Hampshire.

We are an independent charity providing free care and support to people with any life-limiting illness. We also provide free bereavement and psychological support to anyone who needs it.

Every day, we support around 1,000 people facing death, dying and bereavement, with the largest part of our work taking place in people's homes.

Our services include:

**Living** - supporting you to be more comfortable with death, dying and bereavement.

Dying - delivering expert and kind care, whoever you are and whatever your illness.

**Remembering** - giving you ways to remember and celebrate the life of your loved ones.

If you need advice and information, call 02382 548860 to speak to our expert team.

Our lines are open 24 hours a day, seven days a week.

# Be a part of the team that changes lives.

With just a few hours of your time each week, you can help change how people experience death, dying, and bereavement in West End and larger parts of Hampshire.

There are lots of roles available from admin support, to helping at fundraising events, to visiting isolated people in your community as a Mountbatten Neighbour.

What's in it for you? You'll meet new people, make friends and have lots of fun. Our friendly team will support you to give back, gain new skills and build your confidence in a way that suits you.

# Wild about the outdoors? So are we.

We're opening a new provision for 4 to 6 year olds called Squirrels, to help young people gain skills for life at a time when it matters most.

Starting in September, every Monday during term time, at 5.15pm, Squirrels will gather to grow and learn their way through lots of different games and activities.

Squirrels can achieve anything they set their minds to – and they have lots of fun along the way.

The one hour sessions will be a brilliant opportunity for young people to take their first step into being part of Scouts, and help them get ready for the adventure of school too.

Sessions will be packed with outdoor activities, fun, games, badges, laughter, and so much more to help our youngest members learn the skills they need for life.

If you want to add a child to our waiting list please contact our Group Scout Leader via gsl@10thitchennorth.org
